PROFESSIONAL PROFILE

I am seeking an aesthetic nurse practitioner position. I will be graduating at the end of July 2021. I anticipate clearance to take the board certification examinations within 1-2 months after graduation.

NURSING EXPERIENCE

CLINICAL NURSE II

UC San Diego Health // November 2018-Present

- Operates autonomously within the scope of practice of a PCU RN caring for patients requiring a level of care from IMU to medical/surgical with telemetry
- Documents assessments, medication administration, and other care provided during shift timely and accurately in EPIC EMR
- Completed courses necessary to fulfill PCU competency requirements, ART competency requirements, and procedural sedation requirements

PLASTIC SURGERY NURSE (Per Diem)

Shumway Cosmetic Surgery // August 2019-Present

- Provides moderate sedation as directed by the surgeon while documenting and monitoring patient vital signs, patient safety, and intra-operative care
- Provides peri-operative care of patients, including but not limited to obtaining vital signs, administering medications, providing comfort measures, providing patient education and executing discharge planning
- Facilitates communication and coordination of staff and resources

AESTHETIC RELIEF NURSE (Part-time)

DermaFashion Medical Spa // September 2018-October 2018

- Provided assistance to lead aesthetic nurses with high flow of clientele by assisting with and/or performing the following: laser hair removal (Cutera YAG & Prowave), titan laser, microneedling, blood draws, and facials.
- Assessed and documented each patient's history, skin characteristics, and desired results to personalize a plan of care
- Provided patient education before, during, and after procedures to ensure quality care, promote patient satisfaction, and prevent complications.

GLOBAL NURSING INTERNSHIP

Azusa Pacific International // July 2018-August 2018

- Practiced abroad in Pietermaritzburg, South Africa, under the supervision of South African registered nurses in an urgent care setting
- Set up pop-up clinics in the surrounding communities through the local
