PROFESSIONAL PROFILE

I am a registered nurse actively seeking a position to transition into the exciting field of plastic surgery and aesthetic medicine. I have always aspired to be a nurse committed to helping clients look and feel their best. With your specialized training, I cannot wait to help improve and change the lives of our clients.

PROFESSIONAL EXPERIENCE

CLINICAL NURSE

UC San Diego Health // November 2018-Present

- Operates autonomously within the scope of practice of a PCU RN caring for patient requiring a level of care from IMU to medical/surgical with telemetry
- Document assessments, medication administration, and other care provided during shift timely and accurately in EPIC EMR
- Completed courses necessary to fulfill ART competency requirements and procedural sedation requirements

AESTHETIC NURSE

DermaFashion Medical Spa // September 2018-October 2018

- Document on all patients in a timely and accurate fashion to record settings, progress, and personal preferences while maintaining work flow
- Assessed each patient's history, skin characteristics, and desired results to personalize a plan of care and independently perform the following: laser hair removal (Cuteria YAG & Prowave), titan laser, genesis laser, microneedling, IPL, hydrofacial, and vitamin B injections.
- Provided patient education before, during, and after procedures to ensure quality care, promote patient satisfaction, and prevent complications.

SERVER

Crawdads on the River // June 2014-November 2016

- Maximized multi-tasking skills to service all assigned tables efficiently
- Maintained current knowledge of menu to guide and recommend according to patrons' preferences
- Collaborated with my team to maintain a clean setting and ensure a pleasurable experience for patrons

SHORT SALE NEGOTIATOR ASSISTANT

Dream Catcher Realty // May 2010-June 2014

- Sold properties as short sales on behalf of the seller(s)
- Maintained client satisfaction by cultivating a professional relationship
- Documented all interactions with lender(s), seller(s), and buyer(s)
- Managed multi-line phone system with proper phone etiquette
